

English

This term in Reading lessons, children will be studying the books 'The Twits'

In Writing lessons, children will be taught to use a range of conjunctions, adverbs, and a range of punctuation. They will do this through writing a variety of text types including information reports and diary entries.

Maths

Children will continue to learn about multiplication and division which they started last term. Following this, children will explore statistics by looking into tally charts, pictograms, and bar charts and answer a range of questions after analysing the data.

Geography

Children will be exploring the seven wonders of the world. Beginning with local wonders and moving further afield. They will recap human and physical features within geography.

Science

Children will be learning about living things and their habitats, including the life cycles of some common animals. They will be investigating why Minibeasts live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals.

Religious Education

This term in RE, Year 2 will be looking at special places, both religious and non-religious. They will be looking at the main features of the different places of worship and discussing what these are used for and create a class book of questions.

Computing

During this term, children will be learning about algorithms. Children will also have the opportunity to learn how to debug broken algorithms throughout the term.

History

During this term, children will be learning about the monarchy. They will be looking at why the monarchy are important to the U.K. We will conducting an inquiry into why we celebrated the platinum jubilee.

Art and Design

Children will be creating Minibeast patterns by weaving. They will also be creating a 3-D sculpture of a bottle critter. Children will look at the work of Anni Albers who was a textile artist.

Design and Technology

This term children will be designing and making their own Minibeast finger puppet! Children will be learning how to sew to create this.

PE

This term, Year 2 will be studying Athletics. They will be learning a range of athletic events throughout the term.

Music

Children will be learning a new song called 'I wanna play in a band'. Throughout the unit, children will be learning how to compose and also improvise using musical instruments.
